

Treatments Menu

The story begins here, in the heart of Beaujolais vineyard...

Spa des Vignes invite you to a warm and comforting atmosphere, designed just for you. For one day, for a weekend, through the seasons, richness of the Beaujolais lands envelops you with its colours. Signature of this single location, the vine one's discover immerses you in absolute serenity.

Follow the rhythm of changing light. From sunrise to sunset, you could feel relaxing benefits of a wonderful moment spend at Spa des Vignes. Your travel in this unique place is the result of a perfect combination of emotion and innovation. We want to ensure you the perfect timeless experience. This is the place where time stops and brings smoothness, spaciousness and freedom feelings.

Sym Biologic System© Organic face Treatments

What does your skin really need?

Performing treatments designed to be in line with its physiology and which provide concrete solutions.

Rebalance, amplify and activate the natural production of your cells, of your structural proteins: elastin, collagen + hyaluronic acid.

The 3 essential steps:

- 1 - Cleanse - Purify :** Fresh and clear skin
- 2 - Stimulate - Renew :** Accelerate your cell renewal
- 3 - Nourish - Strengthen - Protect :** Strengthens your immune system + helps your skin regain its balance.

The right choice for beautiful, healthy skin.
